

Home Safety

Test smoke alarms monthly.

☐

Know two ways out of the house.

☐

Decide on a place to your family to meet after you're outside the house.

☐

Keep guns unloaded and locked up.

☐

Always supervise children near water.

☐

Set water thermostat to 120 degrees F or less.

☐

Install carbon monoxide detectors.

☐

Keep the National Poison Control Center hotline number by each phone: 1-800-222-1222.

☐

Keep all cleaning products, medicines and vitamins out of children's reach.

☐

Keep all knives and sharp utensils out of children's reach.
